Mental Health
NHS Foundation Trust

Achieve Asset Fund

Grants of up to £5,000 to provide support services for those recovering from drug and alcohol addiction

What is the Achieve Asset Fund?

The Achieve Asset Fund is here fund provide services that supports people living in Bolton, Salford and/or Trafford who have received treatment for, and are recovering from, drug and/or alcohol addiction. The funding providers Greater Manchester Mental Health Foundation trust are keen to see applications which deliver a range of support activity including:

- Regular drink and drug free social activities
- Fostering education, training and employment opportunities
- Actively pursuing opportunities for the development of small businesses and social enterprise to provide further opportunities for the personal growth and development of Community Members
- Offering a range of volunteering opportunities
- Offering a pool of peer navigators and mentors right across the treatment and recovery system

Eligibility for funding

Applications can be made by community, voluntary and social enterprise sector organisations as well as private businesses.

What are the priorities for the Achieve Recovery Asset Fund?

All applications must address the priorities below

- Promote recovery
- Support and enable people in recovery to live more independently
- Challenge stigma

This grant scheme is delivered by Salford CVS, Bolton CVS and VCAT on behalf of 10GM.

Application Form

Guidance Notes

About your Project

Please give as much detail as to the location(s) of your activities and the catchment area for service users that will be served.

Please outline **what** you intend to do in the project and **how** you will deliver it. Remember to include details of how many sessions will be delivered and over what period (e.g. 1 x 2hr session a week for 20 weeks). Also please describe **who** will be delivering the project (e.g. staff, volunteers, external sessional staff etc.)

Project Outcomes

Your application needs to clearly state how you will engage and support people in recovery. It should also articulate how your service will complement and expand on the current offer in your local area. Referencing local need will strengthen your application.

Maximising the Benefits

We are keen to see all projects contribute to improving social, economic and environmental wellbeing. This is sometimes referred to as 'social value'. By making small changes at the design stage you can make a big difference in helping creating added social value. For practical suggestions please see the GO SOCIAL section overleaf.

About Project Sustainability

Please explain how the project might be sustained beyond the end of this funding. Will there be a lasting impact?

About Money

Please apply for the amount you actually need for your project and break these costs down in your application. Please state any match funding that is supporting this work.

Funding dates

There will be two opportunities to bid for funding during 2018/19.

Round One Opens 15th Aug 2018 Deadline 12:00noon on 1st Oct 2018
This first round will include a 5-minute pitch to funding panel
Dates of panel meetings will be published on www.recoverybst.co.uk

Round Two Opens 7th Jan 2019 Deadline 12:00noon on 18th Feb 2019
The second round will only involve submission of an application form

Please email your completed application form and any supporting documentation to:
grants@recoverybst.co.uk

Unleash your creativity & **GO SOCIAL**

When **planning your project** have a think about how you can deliver your activities for the benefit local people

You could support wider community / voluntary organisations and independent local businesses by shopping locally and keeping the money in Salford!

You can also do your bit for the environment by choosing greener products as well as reusing, recycling or composting any waste.

You might be able to involve new or existing volunteers in the project or help staff develop new skills.

One way of describing these added benefits is 'social value'.

Spending for Social Value

Your budget can be used to make a difference your locality. Here's a few ideas of how to turn your spending social:

Refreshments Will refreshments be healthy? Will you include vegetarian, vegan, kosher and halal options? Will you be supporting local, independent shops or businesses?

Printed material Have a think how you can support local printers or suppliers. Will you be using recycling paper, card or other materials?

General merchandise Whilst the vast majority of merchandise is manufactured in the far east, you can still do your bit and support local suppliers and shops.

Awards and Certificates These could be hand-made by local people, and reflect local culture.

Venue Hire Hiring community owned or managed venues helps maintain important local assets.

...plus lots of other amazingly creative ideas from your project team!
